

Poison Center New Number 1-800-222-1222

Do you know who to call in a poison emergency? Trained registered nurses and pharmacists at your local Poison Center are here to help 24 hours a day, seven days a week.

Calls are free, confidential, and Spanish-speaking specialists are available.

Now there is a new toll-free telephone number for Poison Centers nationwide. Dialing 1-800-222-1222 is just another way to connect you to the local Poison Center. No matter where you are in the U.S., dialing the new number will connect you to your local Poison Center.

Don't worry, the old number (1-800-764-7661) will still "work" too! The new, toll free, national 800 number is just another way to reach the local Poison Center. Remember, in a poison emergency or for poison prevention information, call the Poison Center at 1-800-222-1222.
