

Dear Parent:

Please find enclosed information about the Talking Book Program. This is a free resource you may choose to use to support your child as a reader. The Talking Book Program offers audiobooks of more than 100,000 titles for all ages.

About the Talking Book Program

The Talking Book Program (TBP) provides free library services for Texans of any age who are blind or have a visual, physical, or reading disability.

- An individual who is blind.
- An individual who has a visual impairment that makes them unable to comfortably read standard print books.
- An individual who has a physical disability that makes it hard to hold or manipulate a book or to focus or move the eyes as needed to read a print book.
- An individual who has a perceptual or reading disability.

Registered TBP patrons may borrow books and magazines in digital audio, Braille, and large print.

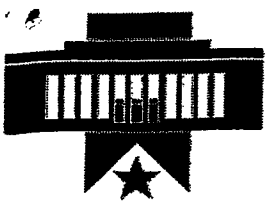

Please see the attached information on how you can contact The Talking Book Program. If you have any questions or need help, please let me know.

Thank you,

Ms. Meissner
